EXPERIENCE

Web Coding Bootcamp

UNIVERSITY OF MN • FEB 2019–JUL 2019

- Intensive, engaging training in full-stack modern web tech
- Utilized enthusiastic independent study, previous experience and available class resources to excel in fast-paced curriculum
- Gained hands-on experience in interactive frontend design, building and using APIs, server-side logic, and databases
- Worked with popular industry technologies, including React, Node.js, Express, MySQL, MongoDB, Bootstrap, Git, and more

Art & Design Intern

TIGER OAK MEDIA • MINNEAPOLIS, MN • FEB 2018–MAY 2018

- Coordinated with internal clients to design and assemble community lifestyle magazines under tight deadlines

Office of Technology Intern

LUTHER SEMINARY • ST. PAUL, MN • SEP 2015–APR 2016

- Created new features and rebuilt legacy web components, translating .NET framework code from Visual Basic to C#
- Effectively integrated work into large-scale existing CMS

Freelance Graphic Design

MULTIPLE CLIENTS • JUNE 2013–CURRENT

- Work closely with client groups and key individuals to define and manage extensive projects with complex timelines
- Manage content, stylistic and technical requirements from multiple sides in a single cohesive end product
- Design wide variety of materials, including logos and branding, prints and booklets, web graphics/UI, and more
- Clients include: Shakespearean Youth Theatre, Luther Seminary, Minnesota Homeschoolers' Alliance (volunteer)

Mobile App Development

SELF-EMPLOYED • AUGUST 2012–CURRENT

- Design user-friendly, accessible interfaces through user research, prototyping and user studies
- Architect and develop apps with Objective-C, with experience in Git source control, networking/API integration, and relational databases

PROFICIENCIES

Modern HTML5 & CSS3
JavaScript & Node.js
Photoshop & Illustrator
Source Control with Git
Database Integration
Teamwork & Communication
Objective-C
Copywriting
User Research
macOS & Windows

INTEREST AREAS

UI/UX Design & Development
Interactive Tools
Self-Guided Learning

HONORS
